

# Howick Primary School

23<sup>rd</sup> July 2010

## SPECIAL HEALTH NOTICE

Dear Parents / Caregivers

There have been a few cases of Howick Primary School families with infectious diseases, i.e. chicken pox, vomiting bugs and influenza.

If your child is unwell, especially if they have a temperature, please keep them at home. If any children become unwell while at school, we will ring our emergency contacts so they can be taken home.

Please remind your child of the importance of washing hands, sneezing into a tissue and disposing of tissues appropriately after blowing their nose.

You may wish to discuss the possibility of influenza immunisation with your family doctor.

Linda Harvie  
Principal

### IS YOUR CHILD'S EMERGENCY CONTACT INFORMATION UP TO DATE?

Please advise Ann-Marie at reception if you have changed your phone number or address so we can have up-to-date information to use if there is an emergency or concern.
