International Student Travel and Medical Insurance

It is compulsory that fee-paying students must show proof of insurance cover for their time studying at the school at the time that they pay the school fee and are accepted for a term of study. The length of Insurance cover must cover the whole period of study at the school.

The school will provide brochures for a full student oriented insurance cover through a specialist provider. These brochures are available in the pack. There are two covers available and you should choose the one that best meets your needs.
