Howick Primary School International Students

Howick Primary School is proud to be able to offer placements to International Students and is delighted to host students as part of our global learning community. Our International Students are fully integrated into our learning community and participate in all aspects of New Zealand student life. We have confidence that your child will be well cared for in a welcoming and nurturing school environment.

Our International Student Support Teacher is ably supported by our Deputy Principal to ensure that all International Students at HPS receive comprehensive pastoral care to ensure that transition into Howick Primary School is as smooth as possible. On arrival at Howick Primary School your child will participate in an orientation programme and be provided with a Howick Primary School Student Ambassador to support them in finding their way around the school grounds and helping them to understand our school culture and customs.

Speakers of English as a Second Language (ESOL) are also provided with English Language classes as part of their personalised learning programme. This is taught by our International Student Support Teacher to ensure that close relationships are formed and students feel comfortable in taking risks. Risk taking and confidence is key to developing skills in a second language. Lessons focus on both spoken and written English development.

Howick Primary School observes and is bound by the [Code of Practice for the Pastoral Care of International Students](#) published by the Minister of Education. Copies of the code are available on request from the school or online from the New Zealand Qualifications Authority.

Short Term International Student refunds are conducted on a case by case basis and are very rare. The process for Long Term International Student refunds is outlined below.

All applications for a refund of International Student fees must be in writing to the Principal, for approval by the Board of Trustees.

If the International Student has enrolled but has not yet started the course:

- The Tuition Fees may then be refunded in full -less a \$1000.00 administration charge
- Withdrawing or transferring to another school without notification, may incur an additional penalty.

If the International Student has started the course and is still in the first half of the course:

The Tuition Fee may be refunded less the following charges:

- An Administration Fee of \$1000.00.
- The cost of the course up to the time of withdrawal on a pro rata basis.

If the International Student has started the course and is in the second half of that course:

The Tuition Fees will only be refunded if there are special reasons for the student leaving such as becoming seriously ill or serious illness in the student's family or some other special reason.

If a refund is to be claimed the International Student must:

- Write a letter explaining the special reasons
- Have a letter from the student's family or agent explaining the reasons, or
- Supply a medical certificate

**The Principal in consultation with the Board of Trustees
will make the decision regarding a refund in these circumstances.**
