ENROLMENT

To avoid overcrowding, or the likelihood of overcrowding, the board of **HOWICK PRIMARY SCHOOL** has implemented an enrolment scheme that has been developed by the Secretary for Education. Under this scheme, students will be enrolled if they live within the home zone described below. All students who live within the home zone described below shall be entitled to enrol at the school

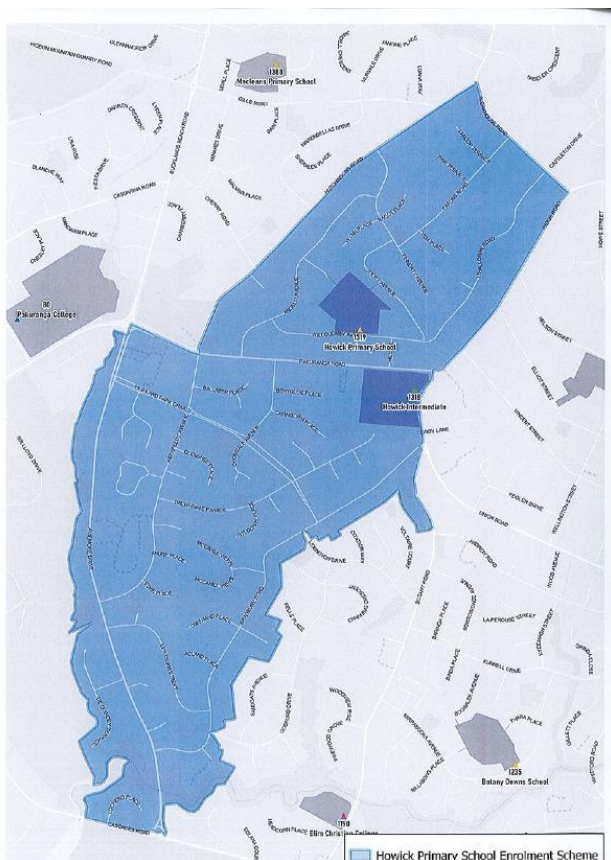

Starting at the intersection of Bleakhouse Road and Ridge Road, travel northwest along Bleakhouse Road (62 and below even addressed included) to Gills Road. Travel southwest along Gills Road (15 and below odd addresses included) and continue onto Hutchinsons Road (odd addresses included) towards Pakuranaga Road. Travel west along Pakuranaga Road (odd addresses 503 and above included, and even addresses 590 and above included) to Aviemore Drive. Travel south along Aviemore Drive (both sides included; Lochend Place included; Cascades Road even addresses 196-206 included) to Bradbury Road. Travel east along Bradbury Road (both sides included; Gosford Drive, Lexington Drive excluded) to Botany Road. Turn left onto Botany Road (61 and below odd addresses included) and then continue along Ridge Road (odd addresses 53 and above included) back to the starting point.

All residential addresses on included sides of boundary roads and all no exit roads off included sides of boundary roads are included in the zone unless otherwise stated.

Proof of residence within the home zone will be required.

Each year applicants for enrolment in the following year from in-zone students will be sought by a date which will be published in a daily or community newspaper circulating in the area served by the school. This will enable the Board to assess the number of places which can be made available to students who live outside the home zone.
